Dear Chris,

Re: Wetherby, Flat Racing

I trust that you are well?

Ahead of our three, forthcoming flat meetings, it has occurred to me that I have yet to write to you confirming what the flat racing surcharge will be for these fixture this year. My apologies, the new stand has absorbed a huge amount of my time recently!

It was my intention to suggest to you that we implement the following flat racing surcharge for 2017:

Tattersalls Enclosure	£30 flat racing surcharge
Course Enclosure	£15 flat racing surcharge

These are a little more than were levied in 2016, but we do have one more fixtures, which I hope you agree makes some logical sense.

I trust that this is acceptable to you and your colleagues and I look forward to hearing from you in due course.

Yours sincerely,

Jonjo Sanderson
Chief Executive
