Subject: Fwd: Company reorganisation, W16118-7

Hi Guys,

Proposed articles we would use for both companies, I emphasise not set in stone, but can you review let me have comments as we need to get done, my fault taking time and side-lined.

I have been on the phone all day have about half the members proxy votes will get most of rest tomorrow, so all in place to enact on the 15th November we are trying for will know next couple of days.

John
